

Reminder:

From the Nurse

Students with Allergies

A reminder to parents concerning allergies - **students who have Epi-Pens** ordered by their doctors for an allergy, **MUST** have the Epi-Pen in the Nurse's Office by the **first day of school**. This is **mandatory** for all students with Epi-Pens **legally and for liability purposes**. The school district requires this or the **students cannot attend school until the Epi-Pen and the required Allergy Treatment Plan form are in the Nurse's Office** (this **must** be brought to school by the **parent or guardian**, not the student). It is **mandatory** that the student's **doctor must fill out and sign the Allergy Treatment Plan** sheet.
