

2021-2022 Summer Reading
Students Entering 8th Grade

All students must read three books:

The Hunger Games by Suzanne Collins

One Non-fiction book

One book of your choice

All Students must read the following book and be prepared to talk about it in September:

The Hunger Games by Suzanne Collins

All Students must read ONE non-fiction book and take notes on it.

All students must read one book of their choosing and prepare a Book Talk on it.

- This can be any novel (perhaps one that has been on your to-read list for a while!). As long as your parents are okay with you reading it, I am okay with you reading it.
- On Wednesday, September 8th, you will give an oral Book Talk on this book. In the book talk, you must give the title, author, a brief summary (without revealing the ending), and explain who you would recommend it to (as in, if you liked these other books you would like this one!).
